(10 SESSIONS BETWEEN SEPTEMBER 27 - DECEMBER 1)

YOUTH BETWEEN AGES 12-16
(WE PRIORITIZE NEWCOMER AND MARGINALIZED YOUTH)

FREE OF COST!

DESCRIPTION

High Park Rangers is our youth leadership nature club that meet once a week to learn about nature, do stewardship activities in High Park, and meet other youth.

As a High Park Ranger participant you will:

- Earn volunteer hours for school
- Explore and care for nature
- Receive free TTC tickets and snacks
- Have fun and build community with other youth

WHAT WILL WE DO?

We like for the Rangers activities to be in alignment with the goals and interests of the participants and individual leaders. We also believe that activities should be as relevant and connected to the seasons and the happenings in the park as possible. However, some things that are consistent activities include:

- Big Long Walks - nature hikes through the park to explore the ecosystems
- Planting native species of plants
- Invasive species management - eg: pulling out garlic mustard, buckthorn, etc.
- Organizing a nature walk or other event for the public
- Other projects and activities that connect us with nature and build community within the group.

NEWCOMER AND MARGINALIZED YOUTH

Our Youth Rangers program is completely funded through a grant provided by the Ontario Trillium Foundation which prioritizes registration for participants who are newcomers to Canada or those who otherwise have difficulty accessing green spaces, such as folks who identify as being part of marginalized communities.
